DECROWNED

Modern Melodic Metal From Finland

BIOGRAPHY

Decrowned is a Finnish band founded in Joensuu in 2017, playing modern melodic metal. The band's music combines heavy riffs, catchy melodies, groovy rhythms, and Finnish melancholy.

The result is a recognizable sound that appeals to fans of both modern melodic metal and melodic death metal.

Decrowned released their debut album "Persona Non Grata" in 2024 through Rockshots Records. The album brought Decrowned to international awareness, and the band has continued to be active with new releases and live shows.

In 2026, Decrowned continues releasing new material and performing at festivals and clubs.
